

Brainstorm Your Career!

Using your results from the Focus2 assessment, write down one career idea or one USU program idea you want to explore more in depth. Further research your career idea using [OnetOnline.org](https://www.onetonline.org) to learn how it aligns with your own self-knowledge. Then, brainstorm ways to test your idea along with pros and cons.

Need to take the Focus2 assessment? Visit usu.edu/career-design-center/students/focus2.

[OnetOnline.org](https://www.onetonline.org) is a database of occupations that can help you dig into details about a career such as tasks, values, environment, educational requirements, and wages/employment trends.

Utilize [Degree Finder](https://usu.edu/degree-finder) to gather ideas and information on USU programs.
