## REVIEW OF TECHNICAL EDUCATION STUDENT FEE REPRESENTATION

**VP Abraham Rodriguez:** A few weeks ago, he met with President Cockett to talk about tech education programs. President Cockett recommended that we change some policies to include technical education students in the fee board process. The changes that were made include an addition of several technical education students on the fee board. The tech ed students at large serving on the fee board would be appointed by the VPs in their respective campuses.

**Sophia May:** Which person would be the best contact for Eastern Campus to have on the Fee Board?

**Kevin Hurst:** It would be best if the USU Eastern Director of Campus Life was represented on the fee board. Additionally, the Students at Large representing tech ed should be specifically enrolled in technical education courses.

**VP Abraham Rodriguez:** Is there anything else that we would like to discuss regarding these policies? If no, he would like to make a motion to approve the changes. These changes are the addition of technical education Students at Large on the Statewide Campuses Student Fee Board.

**Moved:** VP Cook; **Seconded:** VP Callister; **All:** Aye
